

The Life of Jesus (Part 1)  
Lesson 1: Overview of His life

**Material For Part 1:**

We will be using Matthew's gospel to walk us through the life of Christ. We will cover his birth through the first two years of His ministry (Matthew 1:1-15:20) in this quarter. We will not try to cover everything in the gospels in His first two years, but only that which Matthew records.

**Emphasis For Part 1:**

We will be focusing on the King and His Kingdom (Matthew 28:18). Matthew will hit on these themes as often if not more than any other gospel writer. We will reference the Psalms some because on Wednesday PM we are studying Psalms regarding the King and His Kingdom.

At the end of Part 1, we should be able to list one key event in each chapter.
